

How and Tips!

Its extremely simple and fun to construct, below is a couple of points which will allow you to present yourself to the client and leave you at the forefront of marketing yourself and services. Using a webcam, digital camera for best results.

Deliver with a suitable background, ideally a shirt and/or tie and ensure that you are placed centrally within the camera focus. Make sure you sit up straight

Prepare a 6 bullet point mental notes of your career summary (ie) I have worked for 9 years as an Oracle Applications DBA... I have end to end implementation experience of AP, AR, FA etc.

Keep your delivery clear and concise – potential employers don't want long rambling answers

Don't forget to smile and finish with a SMILE!

It is sensible to replay recording to make sure that you are happy with it and if not just re-record it until you are.

Please Note: Your presentation should be between 60-90 seconds and structured in 3 STEPS, 1.Opening... 2.Presentation... and 3.Finish (use a brief pause between each step)

Opening

My name is, I am an experienced Oracle Applications
..... Consultant

Presentation

5-7 Summary points of your experience such as above " I have worked with Oracle Applications for 7 years.... My technical experience is diverse including data-migration, interfacing and customisations.
